

O'Neil Cinemas will be closed temporarily effective immediately. As we have said before, the health and safety of our movie goers and staff is our top priority. At this time we encourage all of you to practice safe social distancing to flatten the curve of COVID-19.

We are a small locally owned family business with two locations (Littleton, MA and Epping, NH) and our patrons and staff are our heart and soul. While closing is the right thing to do, we will need all of your support to get back up and running again. If you'd like to support us while we are closed we have giftcards available for purchase online. They are great gifts for all your family and friends and even yourself! Be on the look out for our awesome come back and remember to support local businesses during this time. We can't wait to see you again!
