January 8th, 2015---

On Wednesday, December 24th 2014, O'neil Cinemas proudly hosted a group with Operation Blessing from Seacoast's Adopt a Block at their movie theater in Epping, New Hampshire for delicious food donated through sponsors and a special showing of "Night at the Museum-Secret of the Tomb." That evening, an entire auditorium was dedicated to the group allowing children and their parents to attend a fun and safe Christmas Eve event.

In all, nearly sixty individuals attended the charity event at O'neil Cinemas in Epping, NH. The local movie theater isn't a stranger to hosting community members and groups at their theater for fun-filled evenings, as they've recently held a video gaming event, youth film festivals, premieres and many others.

"The food that was donated was amazing---our sponsors really outdid themselves. We'd really like to thank Tuckaway Tavern, Telly's, and McDonalds for everything they did to help us make the night a success," said Dan O'neil, owner of O'neil Cinemas. "The night wouldn't have been as great without them!"

In addition to dinner and a movie, raffle prizes were given out during the event, including comic books and gift cards to local restaurants and venues including GameStop, 900 Degrees, Kume, Zampa, Dunkin Donuts and Charmingfare Farms.

"The event accomplished exactly what we set out to do, to provide a fun-filled and family friendly event for people in our community that may not have the resources for these activities on their own. We're very much looking forward to doing the same event next year!" said O'neil.
